Online abstract submission opens:	Friday, December 17, 2021
Accepted abstract notification:	Friday, April 1, 2022
Deadline to accept/decline presentation invitation(s):	Friday, April 22, 2022

Overview

San Antonio is a unique city, serving as a leader in government and civilian healthcare research through organizations like the San Antonio Military Health System (SAMHS), UT Health San Antonio, and The University of Texas at San Antonio (UTSA). These institutions invite you to the eighth annual SAMHS and Universities Research Forum (SURF), a conference that attracts presenters from around the nation to showcase the work of trainees, faculty, staff, and students from multiple disciplines and variety of health institutions from the private and public sectors. The forum will be hosted on Thursday, June 16, 2022 at The University of Texas at San Antonio, Main Campus, H-E-B Student Union Ballroom (HSU 1.104), H-E-B University Center, 1 UTSA Circle, San Antonio, TX 78249.

The mission of the SURF conference is to “advance research collaborations among academic, military, and industry partners to improve health outcomes and readiness.” Participants will present and share research, practice, and policy knowledge; earn continuing education credits/units (e.g., CME, CNE, CDE); and connect with scholars and practitioners from the San Antonio Military Health

System (SAMHS), academic institutions, and other public, government, and private organizations.

SURF 2022 Themes:

1. Dental Research
2. COVID-19 & Infectious Disease
3. Deployment Medicine
4. Human Performance
5. Medical Modeling & Simulation
6. Mental Health Initiatives
7. Nursing Research
8. Patient Safety
9. Precision Medicine
10. Public Health/Wellness
11. Regenerative Medicine
12. Trauma & ICU Medicine
13. Women's Health Initiatives
